Utility Carts 2SP Series

SUPER ERECTA SHELF® UTILITY CARTS — TWO SHELF MODELS

Literally hundreds of different utility carts can be assembled from basic Super Erecta Shelf components — shelves, casters and one-piece handles. To best meet your exact needs you can select any number or combination of shelves from many types, finishes and sizes, utilizing them with any of Metro's stem casters.

- **54 Basic Two-Shelf Models:** To simplify your selection, nine of the most popular size two-shelf utility carts are offered as standard units with a choice of four shelf types and of two different casters.
- **Heavy-Duty, Highly Maneuverable:** These carts can handle and distribute a large volume of material safely and efficiently.
- **Super Erecta Shelf® Construction** makes units easy to assemble with positive placement, and makes relocation of shelves quick and simple.
- **Wire Shelves:** Bright, modern sanitary appearance, open construction minimizes dust accumulation, maximizes visibility and air circulation.
- **Casters:** 5" (127mm) swivel with resilient or polyurethane tread.
- **Donut Bumpers** included with casters.
- **One-Piece Handles**
- **Height:** 39" (991mm) floor to handle with 5" (127mm) casters.
- **Accessories** can customize cart for many applications. See sheet #12.20.
